

Park Temple Baptist**UBA Congregations Reporting Severe Damages**

Staff Report

The following UBA congregations reported moderate to severe damages immediately following Hurricane Ike. Many churches continue to need assistance and partnerships from others as they recover from the damages.

Both BGCT & SBTC have established partnership networks to assist churches in developing partnerships with one another.

For BGCT resource page, ministry opportunities, and Church2Church partnerships,

Donations for Disaster Relief may be sent to UBA:

**Ike Disaster Relief
Union Baptist Association
2916 West TC Jester, Suite 200
Houston, TX 77018**

If your donation is for a specific church or you want it distributed in a particular way, please indicate that on your check.
