

## *A Message from Ed Young*

On August 6<sup>th</sup> at Reliant Stadium, there will be an ecumenical prayer meeting unparalleled in modern Christian history.

Governor Rick Perry and other leaders have felt for quite some time the need for a day of prayer and fasting. So they have called for this assembly strictly for the purpose of praying for revival in our nation – a second Great Awakening in this transitional moment in the history of America. This is not a political gathering. Rather it is simply an interdenominational meeting of God's people.

How many times have you and I wanted to sit down with other Christians or fall on our knees and collectively pray for our land?

We sing *God Bless America*, and God has blessed America. Tragically, we have not used His blessing to make a kingdom difference.

So please nail down August 6<sup>th</sup> to gather with other men and women from across Texas and the United States to fast and pray for revival and renewal of our land.

May God bless you as we seek to lift Him up in the 21<sup>st</sup> Century.

His and yours,

*Ed Young*
